ADMINISTRATIVE REVIEW SUBCOMMITTEE WAIVER APPLICATION PURSUANT TO NCAA CONSTITUTIONS 5.4.1.4 (Division I) and 5.4.1.7 (Divisions II and III)

Waiver application must be received within three weeks of desired action.

This application must be completed before the Administrative Review Subcommittee will process the request. The Administrative Review Subcommittee will only consider an appeal of the application of NCAA legislation when no other committee, subcommittee or conference has the authority to act. In addition to the required information, it is the responsibility of the institution to submit any information that it believes is relevant to the consideration of the waiver request at the time the waiver request is submitted. The subcommittee may also request additional pertinent information prior to the final consideration of this case. Please review the Administrative Review Subcommittee policies and procedures prior to submitting this application.

The philosophy of the Administrative Review Subcommittee is to review requests to waive the normal application of the legislation while considering the following to determine if relief is appropriate;

- 1. The purpose or intent of the legislation.
- 2. The involvement and the overall welfare of the student-athlete.
- 3. A competitive or recruiting advantage.

Mail completed requests to Laura Wurtz, associate director of student-athlete reinstatement, at the national office or fax to 317/917-6881. **Typed requests are preferred**.

The	e Administrative Review Sul	ocommittees have issued the following	ing information standards:
			for waivers of the transfer requirements etics aid (NCAA Bylaws 15.01 and 15.3.1).
		aw 16.8.1.2.1 (Departure/Return g circumstances exist (10/99, 7/01).	Expense Restrictions), the institution must
_	the return time Limited available is forced to lear	with a comparison of cost savings c	titution's location, to the degree that the team

	s that a student-athlete has compromised his or her eligibility through <u>misinformation</u> utional of NCAA staff member, the following information must be provided (10/99).
	tten statement of explanation summarizing the information given to the student-athlete the person or persons responsible for or alleged to have provided the erroneous nation.
	ilable, contemporaneous documentation demonstrating the misinformation (e.g., notes,
A wri	tten statement from the student-athlete demonstrating whether the athlete relied in good ipon the erroneous information to his or her detriment. The statement should include a blogy of events relating to the case.
is granted based of	stitution would benefit as a result of its own misadvice to a student-athlete (e.g., a waiver on misadvice), the institution's chief executive officer will be informed by a letter that ogy of the actions of the individual who provided the misadvice.
In cases involving <u>inju</u>	ury or illness as mitigation, the following information must be included (10/99).
	n documentation from the professional who diagnosed the condition of the student-athlete student-athlete's family member.
Where the tre	e appropriate, the institution must provide contemporaneous medical documentation from ating professional. nvolved student-athlete must provide a written statement explaining the need for relief he legislation.
In cases involving fina	ncial hardship as mitigation, the following information must be included (10/99).
Demo	nentation substantiating the financial difficulty (e.g., bankruptcy, layoff, death in family). Instration that the financial hardship has a direct link to warranting relief from the attion (e.g. student-athlete was forced to transfer to work and support family).
	student-athlete with a <u>learning disability</u> , which is relevant to the desired relief, the on must be included (10/00).
psycho A state	py of the student-athlete's professional diagnosis (e.g., psychological assessment, peducational evaluation, physician's statement). ement from the student-athlete regarding his or her disability and its relation to the desired at for relief.
In a tr	ansfer situation, the applicant institution must demonstrate that the student-athlete needed modations that were unavailable at the previous institution and are available at the ant institution.
	s involving a request to replace a graduate assistant coach with an individual who is not astitution's program, the following documentation must be included (10/02).
prospe	tive documentation from the admissions office or dean of the graduate program that the ective graduate assistant coach has been admitted or will be admitted at the next earliest sion and,
Docur	nentation should be included outlining the circumstances that caused the previous ate assistant coach to leave prior to the conclusion of his or her natural term.

olving a student-athlete who has <u>transferred for academic reasons</u> and would like to waive the uirement, the following documentation must be included (10/00).
The institution to which the student-athlete is transferring shall provide documentation indicating that it offers the desired program and that the student-athlete has completed the necessary prerequisite courses for admission into the program. Provide documentation that the student-athlete has the necessary credit hours to meet satisfactory-progress requirements at the institution. If transferring due to an academic program being discontinued and the student-athlete does not meet the one-time transfer exception, a letter from the dean or appropriate academic authority at the discontinued academic program institution documenting that the program has in fact been discontinued.
II and III: In cases involving a waiver request of NCAA Bylaw 14.2.2.1 (Use of a Semester or following documentation must be included (07/01).
 Documentation of the institution's mistake or misadvisement from the appropriate institutional authority. Documentation that the institution considered the student-athlete to be enrolled part-time.
 Statement from the student-athlete.

DIVISIONS I and II: In cases involving a student-athlete who transfers to enroll in graduate school and does not meet the one-time transfer exception, the following information must be included (10/00).

- Transfers due to injury or illness; must meet information standard for injury or illness as mitigation.
- Transfers for financial hardship reasons; must meet the information standard for financial hardship.
- Transfers for discontinued sports program and or the original institution did not sponsor a sports program; must document that student-athlete's previous institution could have applied the discontinued or nonsponsored sport exception but instead used the one-time transfer exception.

DIVISION III: Please note that the Division III subcommittee directed the staff to deny all cases involving graduate transfer requests.
